## Music

We interviewed the guy on the strings: Thomas who plays violin. "I feel happy to play this great instrument. My favourite song is Too Much Rosin. I love lively music because it gets me into a beat. I like the teacher Mrs Price."

Following Thomas' interview, we spoke to Amelia who plays the clarinet. "I love to play a little feeling in to it. My favourite song is Marot. My teacher, Mr Banahane is really nice."

Next, we spoke to James—he plays the guitar. "I love to play guitar and Mr James is really nice, I like Silent Night."

Finally, let's hear from Kyle, our drumming teacher. "I like teaching drums because I have a passion for it, so I can share what I do with the children. My drum teacher used to teach me great songs- I loved it. I was too young to remember the first time I played, but I remember playing on pots and pans!"
