

Team Ernehale Weekly Update:

Welcome:

It's been a very busy week at Ernehale. All clubs have now begun in school and the children seem to be really enjoying them! Please see attached a timetable of clubs and activities that are happening in school. There is still space available in the Gymnastics and Dodgeball Clubs. Everyone is welcome to join, please note that these are paid events.

Books, Books, Books!

We are delighted to receive funding from our fantastic PFA to purchase a full set of '100 books to read' for both lower and upper school. They are being distributed from this week so look out for the identifying mark on the spine and the PFA sticker inside the cover. The PFA have also purchased new hardback dictionaries for Y3, Y4 and Y5 and we really appreciate the difference this will make to the children's learning. The total amount donated to the school for books is over £1700, so a very big thank you to the PFA for the excellent support you give to school. We encourage you all to review the attached list of '100 books to read' with your child and identify what books they would like to read.

Mobile phones

We would like to clarify to all parents/carers, mobile phones should not be kept on school grounds unless your child is in Year 6. We would like to remind all of Year 6 that mobile phones should be given to their teacher and they will be given back at the end of the day.
