

Team Ernehale Weekly Update:

Welcome

As always, it's been another busy week at Ernehale, please see below some key mentions that form part of this week's update:

PFA Christmas Card

As in previous years, the children have been creating their own Christmas card designs. There will be samples of the Christmas card available after half term.

Feedback From Our 100 books

We have had a lot of our children tell us how much they are enjoying reading the new books that were paid for by the PFA. Please see some quotes below:

'I really like the pictures and words in The Pebble in my Pocket, it's great to read out loud!' – Y3 Pupil

'Shadow Forest is great! I really like having something new to read.' – Y5 Pupil

The list of the 100 books to read will also be put inside your child's school planner so that they can be ticked off when they have been read. Happy Reading!

Bike-ability

Please can all children with confirmed spaces for Bike-ability return their permission slips to the office. Your child cannot attend the course if these have not been returned. Your child will also be having a meeting with a representative from the course on 5th November to talk to your child about what to expect across the two-day event.

Absence from School

Should your child suffer from vomiting or diarrhoea it is school's policy for your child to be kept out of school for 48 hours, this is to prevent the spread of infection. The 48 hours exclusion period is from the most recent bout of sickness or diarrhoea.
