

# Team Ernehale Weekly Update:

## Welcome

It's been another busy week at Ernehale. There have been lots of activities this week in school including the preparation of the Christmas concerts! Please find some key information from this week:

## Communications from School

We are aware that there have been a lot of slips for return lately. As you may have noticed most of our parent letters are now sent via email and you may not always receive a paper copy or they get misplaced at home. Parents/Carers have feedback that sometimes they don't have the function to print off slips from home. Should that be the case please feel free write out the information on some paper or reply via email to the school office. We do also keep spare copies in the office, so feel free to pop in and we will be happy to give you a paper copy.

## Christmas Activities

We are in the process of finalising all our Christmas activities and plan to share an overview to aid your planning and organising. From Christmas parties to performances, singing events and talent shows, PFA hampers and Christmas dinner there is lots of fun activities taking place in school. We will also be collecting for the Rainbows Children's Hospice as our nominated charity over the Christmas period.

## Keeping Our Roads Safe

We would like to politely remind all Parents/Carers when dropping off and collecting your child to please respect our neighbours. We have recently received complaints about cars being driven too fast around Derwent Crescent, being parked within areas that affects the safety of the street and the entrance to peoples drives. Please can you support us with this, the local community support officer will also be patrolling the area.

## Get Set For Christmas

Our Local Generations Pastor from St Marks has asked us to inform our Parents/Carers of Christmas Event on 29<sup>th</sup> November at Somersby Shops. Please see the attachment for more information.
