

Dear Parents, Carers and Families,

Ernehale Junior School has recently undergone a 'Partnership Review' carried out by our team of experts at The Flying High Trust and we'd like to take this opportunity to share the following key points with you.

What is a Partnership Review?

A Partnership Review is a thorough 'health check' of a school and gives the team at the Trust, the school leadership team, Governors and you - as Parents and Carers - a true and current reading of the school's performance.

What are the school's strengths?

We are pleased to say that the review was very positive indeed. We are a "capital good" school and our children did us proud. The Flying High Trust said:

- Pupils contribute significantly to the success of Team Ernehale and the Take Care Reps and sports leaders do an important job.
- Children have a great attitude to learning and can demonstrate how they learn best.
- The staff team is dedicated and passionate about the children of Ernehale.
- The link between the infant and junior school is going from strength to strength, there is a willingness to work closely together, particularly to achieve consistency in English, Maths and behavior between the two settings.

What did the children say?

Pupil voice is strong at Ernehale Junior School. Children enjoy coming to school, demonstrating the importance of shared values and ethos. They are able to articulate this well to visitors.

What next?

Each Partnership Review provides a school with a set of 'next steps' to continue to drive forward excellence. Our next steps are:

- All pupils need to ensure they always follow our Take Care expectations for presentation, for example, handwriting, correct use of capital letters.
- The school should develop the mastery approach across all subjects.
- To continue our journey to develop deeper learning for pupils.

How can parents help?

- Ensure your child reads daily

The Flying High Trust Partnership Review at Ernehale Junior School is welcomed as a very positive result. Thank you so much for all your support throughout the year.

Ms. Batley and all of Team Ernehale
