

Team Ernehale Weekly Update:

Welcome

Please see below key information related to this week's activities:

Taking Care Of Ourselves – E-Safety

Next week, we will be continuing our Take Care campaign, by focussing on E-Safety. Our school will be learning about 'Safer Internet Day' to encourage the safe and positive use of technology for children and young people all over the world.

This year's theme is Together for a Better Internet and we'd love parents to get involved too.

Our school is using Be Internet Legends - a free educational programme from Google and the online safety experts at Parent Zone - to teach our students important internet safety skills through fun classroom activities. Your involvement at home can help reinforce these key messages and help your child become more confident online.

Visit the Be Internet Legends website to try some fun family activities to help your child learn how to make the internet a safer and kinder place for everyone at:

You can also help your child become a confident explorer of the online world with Interland, a free, exciting online game which reinforces the Internet Legends Code at:

New Term New Food

We are pleased to announce the new Spring school meal menu will be available to choose from when we return from the half term break. Please see attached the new menu options.

All meal options are planned to give a wide variety of choice to all of the children in school.

School meals will continue to run on across a 3-week cycle and will be available to view on the parent noticeboard on the playground.

Ordering a school dinner couldn't be simpler! All your child needs to do is say on the day to the teacher if they are having a packed lunch or school dinner. It couldn't be simpler!

Parent Survey

Here at Ernehale we really like to seek parent feedback to help maximise the potential of our school. We are currently running a quick and simple survey focussing on Parent Communication. The survey is anonymous, and only has 8 questions within it. We have already text parents with the link, but for easy access please find the link below:

Ernehale Achievers Extra

It seems that we have a great deal of children within our school who are talented in the world of drama! We would like to congratulate Millie Yarnall and Ash Allen who have successfully auditioned for the performance of 'Joseph And His Technicoloured Dreamcoat'. Millie and Ash will be performing at Derby Theatre in June! Good luck girls!

Is there any talent out there?
