Thank you to the Parents & Carers who completed the online survey. Overall the feedback was really positive, however we would like to share with you some changes we have made to the Newsletter following your responses:

- Holidays and Inset Days until the end of year can now be accessed via the link within the key dates section of the newsletter.
- The newsletter will now be dated when it is sent out via email, and on the document itself.
- Online safety tips will now be regularly featured.
- News stories from pupils and activities from the school day. Please continue to let us know about any external achievements

## E-Safety

At Ernehale we are committed to teaching our pupils about online safety. We understand that it can be hard for Parents & Carers at home to be aware of all the dangers around online safety. To help you with this our aim will be to regularly send out handy hints and tips for Parents and Carers. We hope this will help answer questions around e-safety and support you in what can be a very challenging topic.

This week we would like to share with you some handy hints about setting up new a device that your child may use. These hints can also be applied to devices that your child may already have. Please see the poster on the following page.

## Ernehale is on the TV!

Following our recent coverage in the local newspaper. ITV Central News have visited our school to discuss how we combat and support children & families around the topic of E-Safety. Please look out for us on the 6pm ITV Central news tonight – you may see some familiar faces! Please see below a photo of the children with the film crew.
