One of the gold medals was for the British Synchronised Skating Competition which was held in Nottingham. An outstanding score of 28.0 was achieved, this was the highest score ever achieved in this category for this event.

As a reward the team have been selected to be on the podium at the Cardiff Competition. Congratulations Erin!

## A Date For Your Diary

We would like to make you aware of a Parent Meeting on the 1<sup>st</sup> of May, 9-9.30am. Mrs Wesley will be holding a Parent & Carer open café to discuss and advise on Precision Teaching. This is a precise, systematic and repetitive method of teaching, which slowly embeds learning. The meeting will be open to all parents and carers related to the school. We hope to see you there!
