

## Welcome

Please see below events that have been happening in school this week:

## Year 4 Get Creative!

Before February half term, the Year 4 children were tasked with producing some creative homework based on their topic of Crime and Punishment. Over the past few weeks, our Year 4 classrooms have become decorated with some pillories, hanging gallows, stakes and much more. This week, the children have begun to share their work with each other. As you can see from the selection of pictures below, they've all done an amazing job!

## In case you missed it this week:

- Y4 into Y5 Beaumanor Hall First Payment Letter (Paper Copy & Email)
- PFA School Disco (Paper Copy & Email)

## Events for next week:

- Monday 25<sup>th</sup> Girls Football Match, Home, VS Arno Vale
- Thursday 28<sup>th</sup> PFA Mothers Day Pop Up Shop

## Ernehale Achievers

Congratulations to the following pupils for receiving this last weeks Ernehale Achievers award:

Yara Sayed	Fletcher Pickering	Millie Yarnall
Sophie Barnes	Nick Smith	Abi Pugh
Lucy Thirsk	Isla Soroczyk	

## Ernehale Achievers Extra

Congratulations to Daisy Wood who recently attended a trial for the Nottinghamshire County swimming squad, Nova Centurion. Daisy was successful and has accepted a place in the development squad! Congratulations Daisy, we are sure that you are very excited about your achievement.

## E-Safety

As we are all aware children are becoming more and more savvy with technology, this is often across a number of internet linked devices at home. We are aware that some of our children now have access to apps and social media sites that are not really appropriate for their age.

A simple and effective way to get involved in your child's online life is through discussion and open dialogue. This has proved to be the best way to help your child access the amazing resources the internet has to offer whilst keeping them safe online.

Please see below some of our top questions that you can use to discuss e-safety with your child:

- What do you like to use technology for?
- What things make you happy when you use technology?
- What things make you unhappy/angry/sad when you use technology?
- How long do you think you spend using technology each day/ week?
- How long do you think you should spend using technology each day/ week?

What happens when you've been using technology for too long? to your body? to your mood? to your device?

## Most Wanted

Should anyone have any unwanted Jenga games at home then we would really appreciate them to be donated to school. This can either be full sets or ones with missing pieces. Jenga is really useful for the children when they are completing tasks to support their learning in maths.

## Key Dates for This Term (new dates shown in green):

- 28 March Mother's Day Pop Up Shop
- 2 April School Disco
- 4 April PFA Easter Creative
- 4 April Last Day of Term

## Read All About It

This week our news team interviewed our Chair of Governors, Ann Eastham. The team had the opportunity to ask Ann a variety of questions that relate to different topics within school. The news team will publish their article soon, so watch this space!

## Respecting The School Environment

We would like to remind all parents that any bicycles, scooters, skateboards or other outdoor wheeled toys cannot be ridden within the school grounds. Should your child want to come to school on their bike or scooter, please park it in the designated area, in front of the school office.

## Taking Care Of Our Mental Health

Following on from last weeks focus on mental health, we have found a great information link to help parents promote and support positive self-esteem. The guide also offers ways of identifying signs of when a child may be struggling with their own self-esteem. Please click the link for more information:
