

Welcome

Please find below key events that have been happening in school this week:

Our Pupils Take Care of Each Other

This week our Take Care Reps had the opportunity to be involved with our whole school assembly. Over the past couple of months Mrs Vasudevan and the take care reps have been continuously focussing on how we can 'Take Care' of one another. The campaigns covers a multitude of areas such as taking care online or taking care of our mental wellbeing.

Nick Smith, one of our Year 6 Take Care reps helped promote this within our assembly he described the morning as being 'enjoyable' and that he 'really enjoyed talking to the whole school about what the Take Care team try to do'. Thank you to Nick and the team for all of your hard work. Please see our fantastic display that covers the 5 Ways to Well-being:

E-Safety

With the holidays fast approaching parents have been telling us that it is sometimes difficult to keep their children away from their electronic devices. Please find attached an informative leaflet that can help with 'screen addiction'. Hopefully, the weather during the Easter holidays will be wonderful and the children will be outside enjoying the sun. Afterall, one of the 5 Ways to Wellbeing are exploring the world around them.
