

## Take Care Arts

We have had another great Take Care week celebrating the Arts. All the children across school have been involved in art projects linked to our Take Care Values. There has been some stunning work produced and we look forward to seeing it on display on the big hall boards next term. All the staff have been impressed.

*"Year 3 have focused on the global issue of plastic pollution specifically in the ocean and linked with climate change. We have made 'before' and 'after' art installations! They have been fabulous!"*

Ms Taylor-Kench

*"Year 5 have been looking at the artwork by McEscher who uses tessellation to create amazing images. We have created our own tessellating artwork that fits together to show how we can combine our talents to be part of Team Ernehale."*

Mr Laws

*"Year 6 have been applying new skills, thinking about contrasting colours and experimenting with paint mixing. They have created some stunning pieces of artwork."*

Mrs McGuire

*"In year 4, we have been creating some monochrome designs using red, yellow, blue and green paint. These designs will be put together to create some walls which link to different zones of regulation. They will remind us that we can experience different emotions when we are learning."*

Mrs Reynolds
