

## What's been happening in: Year 6

This week, as part of their historical focus, Year 6 have been concentrating on the history of Nottingham. Pupils Armaan Khawaja and Lucas Knight have described this weeks learning adventure:

*'We have been learning about Robin Hood, it's great to learn about a part of history that is recognised across the world and it all happened in Nottingham. We have been reading books about him and writing predictions about parts of his life.'*

*'We have also been concentrating on important places across Nottingham. This week we have been learning about the market square. As a class we have learnt about the different roles it has played across the historic years within Nottingham.'*

Watch this space for more information about what our year groups have been learning about in next weeks newsletter.
