

What's been happening in school: Year 6 Visit Kelham Hall

This week, the whole of Year 6 visited Kelham Hall for a singing event hosted by, world renowned, Mark-De-Lisser. At the event we all sang 'Giant' and 'These Days'. We also did a lot of dancing!

Mark-De-Lisser helped us with some warm ups, which were really funny. He definitely got us up and running, ready for the songs that we had to sing.

The church was split into two teams, Team Churchy and Team Clove. We had so much fun during the afternoon and it is definitely something that we will remember!

Ernehale Achievers Extra

Should you ever visit the Waggon & Horses Pub in Redhill, you may see a star in the making. Daisy George has recently been taking part in the open mic sessions, last week she sang Upside Down by Paloma Faith in front of a huge audience! We have heard the pub was completely packed out. Well done Daisy, you are very brave to sing in front of all of those people, what will you sing next?

We would also like to wish good luck to Blaise Bondswell, Millie Yarnall and Sofia Callaway who will be taking part in their Christmas pantomime rehearsals next week. The girls will be conducting their starring roles in this years performance of Cinderella at the Theatre Royal. So if you have already booked tickets you may see some fantastic performers on stage. Cinderella begins on Sunday 30th – 5th January. Good luck girls.

Flu Vaccinations

On Friday 29th November, flu vaccinations will be taking place in school for all year groups. Should you wish for your child to have their vaccination you must register with the school immunisation team. If you haven't already, please follow the attachment included with this email. All instructions to register for your child's vaccination can be found within the attachment. To put your child at ease, you may want to tell them that the vaccination is via a nasal spray, not via a needle. **Please note, should you not wish for your child to have the vaccination, you are still required to complete the link allowing your child's doctors records to be updated.**

Year 6 Investigate Our City

Recently our Year 6 pupils have written to lots influential businesses and educational sites across the city of Nottingham, with their main aim to learn more about our city. This week we received a letter from the University of Nottingham, after Daisy-Mai, Lucas, Billy and Rebecca wrote to them, to find out more information about the part the University plays within Nottingham, and other parts of the world.

The University thanked the children for writing to them and sent a full prospectus to the team so that they can learn about what the University offers. Well done to Daisy-Mai, Lucas, Billy and Rebecca, we look forward to hearing the things that you have learnt about the University and the part it plays within our city.
