

What's Been Happening This Week – A Message From Our Singing Leaders

We are the singing leaders! We are a group of year six children who lead singing warm-ups in assemblies, choirs and breaks. We are a committed team who have a huge passion for making the school become even more involved in singing.

Mrs Kirkham and Mr Burton host the singing leaders and we meet once a week to look at new ideas to try out. We also sing the songs and test the new games so we can see what works.

We're going to be getting badges soon so that everyone can recognise who we are and the job we do in school. We are also making links with our infant school and have been over to lead some singing games and sing some songs with the foundation children.

This is a new initiative set up this year and we are hoping it carries on. We would like to see singing leaders running in all the trust schools as singing makes everyone feel better and it's great for our mental health and well-being. If any of the children want to join in with a singing game we are always outside Y3 during the afternoon break time.

Deepta Take Care

As part of our 5 ways to wellbeing we have been sharing our techniques for being mindful. Ask your children about finger breathing or Take Five. We have also been trying 'brain breaks' in lessons to keep us all focused on our learning. This week we have had some important visitors in school who spoke to the children about how we take care. The visitors fed back to Ms Batley that the children all demonstrated a great attitude to learning, that they were well behaved. and demonstrated fantastic manners to everybody.

World Book Day 5th March

It won't be long until World Book Day comes to Ernehale. We will be celebrating World Book Day on the 5th March. Last year there were some fantastic costumes, hopefully this reminder will give you some extra time to start planning your outfit! We can't wait to see them!
